Leadership with Trust

In Singapore for over 40 years

Founded by Jamnaji Tata in 1868, the Tata group celebrates 150 years in 2018. A USD 100 billion global enterprise, headquartered in India, the group comprises of over 100 independent operating companies. The group operates in more than 100 countries across six continents, with a mission to improve the quality of life of the communities we serve globally, through long-term stakeholder value creation based on Leadership with Trust.

The Tatas were among the earliest Asian companies to do business in Singapore. The group has grown to encompass several major businesses including IT, telecommunications, automobiles, steel and others.

In Singapore, the Tata group is living its promise of improving the quality of lives of communities through the operations of its companies in diverse fields.
