Platform bringing indian business opportunities

Fii 1-15 December 2021

Dear Readers,

Thank you for your support in recent years. We have published some 1,000 articles on the Indian market and how the global businesses are joining the massive economic development programme in 2021. Subscription has been free for seven years since we started online publishing. This is our last issue of the year as we re-organise the newsletter and finews.com website for a new 2022. We shared with you in the last issue that we will be coming with the first issue from mid-Jan 2022. We will be seeking your support as we turn into a subscription-based news portal and newsletter, which we believe will be as bullish as you are on the Indian prosperity. Wishing you all the best and happy year-end festivities, Gurdip Singh, Editor-Publisher.
