Jesse Dougherty, Vice President for Network Edge Services at Amazon Web Services, says, "The infrastructure is designed to support the most data intensive workloads, like 5G, generative AI, and high-performance computing. This collaboration with Tata Communications will further enable our customers in India to innovate at scale with cloud and generative AI, and drive growth in India's rapidly expanding digital economy."

“For over a decade, we’ve helped shape the GCC industry, and this acquisition expands what we can deliver globally with strengthened capabilities across AI, analytics, modernization, cloud transformation, and enterprise platforms while growing our delivery footprint with new centres in Latin America and increasing client activity in the UK and Europe,” said **Patricia Connolly, CEO, SMC Squared**, welcoming the opportunity to be a part of Hexaware of Navi Mumbai.
