"India represents a tremendous opportunity for AVANA Companies to extend our mission of providing capital that fuels entrepreneurship, job creation, and sustainable growth across borders," said Sundip Patel, CEO and co-Founder of AVANA Companies. "As an entrepreneur with Indian heritage, I've seen firsthand how access to capital transforms businesses and communities. This expansion allows us to bring our relationship-driven lending approach to a country where family businesses and entrepreneurs drive the economy, creating meaningful impact in communities across India."

“Nitesh Bansal, CEO & Managing Director, R Systems said on 21 Aug, "As enterprises move from pilots to production-grade AI agents which are governed by robust orchestration and compliance frameworks, the acquisition of Novigo Solutions acts as an accelerator in our journey to lead the Agentic AI revolution.”

"Achieving this level of fiber density with ultra-low insertion loss is a defining moment for izmomicro," Dinanath Soni, Executive Director of izmomicro, said on 21 Aug. **"Only a handful of companies worldwide have demonstrated this capability, and we are proud to be the first in India. This breakthrough validates our years of R&D in precision packaging and positions us as a critical partner for the global silicon photonics industry. As AI and data-driven applications demand ever-higher performance, our innovation will help power the infrastructure of the future."**
