“With TechBharat, we’re bringing our best technologies and talent to help solve real-world public sector challenges and opportunities for innovation. Google Cloud in collaboration with TechBharat will help shape scalable solutions built in India to create a powerful ecosystem that combines our cloud capabilities to deliver AI for Public Good at national scale,” said Ashish Wattal, Director, Public Sector, Google Cloud India.

Netsmart COO Tom Herzog observes, “India’s leadership in technology and innovation offers an incredible opportunity for us to leverage local talent, **accelerate technological development and enhance our service capabilities.** This expansion isn’t about increasing capacity or broadening our footprint; it’s about establishing roots grounded in purpose, capability and shared vision to make a meaningful impact for those we serve.”
